SENDING A MESSAGE AND SUPPORT
FROM ONE OF THE OLDEST GLBTQ ORGANIZATIONS
THE INTERNATIONAL COURT SYSTEM**

About The National Trans Visibility March

Members of the transgender, gender non-conforming and non-binary communities (TGNC/NB) will be taking a major stand against hate and discrimination when they rally in the Nation's Capital for the first ever National Trans Visibility March (NTVM) on Washington, D.C., September 28, 2019. The march rally will start at 10:00am at Freedom Plaza followed by the march at 11:00am in the Nation's Capital. The National Trans Visibility March Ambassadors from Atlanta, Chicago, Dallas, Detroit, Las Vegas, Los Angeles, Miami, Memphis, New York and San Francisco will lead the charge partnering with national and local allies calling for the passing of the Equality Act, which includes equal rights, fair housing, financial equity, healthcare equality and physical safety.

The National Trans Visibility March is of critical importance at this time. With the Equality Act of 2019 being threatened by the Senate and the trans military ban implementation, there is a need to mobilize America to recognize and fight for the rights of TGNC/NB people. Although the current administration has intentionally rolled back efforts to prevent inclusion of transgender communities in the US census, individuals from the TGNC/NB communities have mobilized and issued a call to action to dismantle the social structures that have oppressed and disenfranchised the TGNC/NB community.

Today, Transgender and Gender Non-Conforming Lives Matter More than Ever!! On September 27 and 28, we want the International Court System Chapters to join us in Washington, DC as we recognize Trans leaders for their work in their communities, and we march to bring visibility and awareness to the Trans Experience in America.

March with us through the International Court System Chapters sponsorship of the National Trans Visibility March! Show the world that our lives matter, that our health matters, that our present and future matters, that our voices matter, that our minds matter, that our feelings matter. **March with us** to demand justice for our sisters and brothers whose lives were taken through senseless murders. **March with us** to demand financial equity and employment opportunities. **March with us** to fight for health equity. **March with us** to demand our inclusion in the US Census. **March with us** to show the world that no decisions are made about us, without us.

Send a strong message that one of the oldest GLBTQ organizations thinks Trans lives matter! The INTERNATIONAL COURT SYSTEM NETWORK CHAPTERS SUPPORT WILL HELP:

- a. provide scholarships for Trans ambassadors from across the country to attend the March including the workshops, the Torch Awards and the March. These Ambassadors will then go back to their communities and raise visibility for the Trans and broader GLBT communities.
- b. provide much needed support to the Ambassadors with their transportation, hotel and meals.
